Dyslexia Information

Student Data

During 2016-2017, the Marmaduke School District identified a total of 3 students showing characteristics of Dyslexia. All of these students were placed in an approved intervention Program.

Universal Screening

Marmaduke School District currently uses a combination of DIBELS (Dynamic Indicators of Basic Early Literacy Skills) and AR-RAN (Arkansas Rapid Automatized Naming Screener) for such screenings

Dyslexia Program

Marmaduke School District uses the Barton Reading and Spelling System for interventions.
